3. An allocation does NOT mean that the matter is considered sufficiently urgent to hear on the merits. Submissions will need to be made regarding the grounds of urgency.
4. If there is non-compliance with this practice directive, the matter may be struck from the roll, unless good cause is shown for non-compliance.

11. **All court bundles are to be fully uploaded to Caselines.** If any problems are experienced the particular judge's secretary must be contacted TIMEOUSLY. In the absence thereof, where links have not been populated timeously (see par 1 supra) or no link has been received, the matter will be struck from the roll.
12. It is the duty of the applicant's attorney to ensure that there are no duplicate cases created on CaseLines and to ensure that the judge has received the correct link. In the event that this does not occur, and links remain unpopulated or the judge has received the incorrect link, the matter will not be heard and will be removed from the roll. In the event that a practitioner struggles to upload an application to Caselines, an affidavit is to be prepared explaining what steps have been taken and why it was not possible to upload to Caselines and this must be sent to the judge's secretary. The judge will then give further directions.
13. Where no practice note has been filed the matter may be struck from the roll. The practice note is to set out the following:
